## GREAT NEWS! NEO RECEIVES NAP CREDITS!

Neighbors' Educational Opportunities (NEO) has been awarded in NAP (Neighborhood Assistance Program) tax credits. These credits are offered annually by the Indiana Housing and Community Development Authority for distribution by qualifying non-profit organizations as an incentive to leverage contributions from individuals and businesses to support neighborhood-based programs and projects.

These credits are a wonderful opportunity for you to support NEO's adult education and high school programs while gaining the following in return for your donation of \$100 or more:

- An Indiana Tax Credit for 50% of your donation;
- A deduction of 100% of your donation on your Federal tax returns;
- The knowledge that your contribution will help a neighbor better his or her life through education.

The process is quite easy.

Simply complete the highlighted sections of the attached Donor Contribution Form and return it along with your donation (check or money order - \$100 or more made out to Neighbors Educational Opportunities) to:

Neighbors Educational Opportunities  
5391 Central Avenue  
Portage, IN 46365

These credits will go fast and are offered on a first come, first served basis. Every contribution will go a long way changing lives and impacting communities by ensuring viable educational opportunities for all who seek them.

Thank you for your continued support of NEO's educational programs.

Sincerely,

*Rebecca Reimer*

NEO Executive Director

DONOR ACKNOWLEDGMENT FORM**

Pursuant to IC 6-3.1-9-3, the credit provided by the Neighborhood Assistance Program shall only be applied against any state tax liability owed by the taxpayer after the application of any credits, which under IC 6-3.1-1-2 must be applied before the credit provided under the Neighborhood Assistance Program. In addition, the tax credit which a taxpayer receives under the Neighborhood Assistance Program may not exceed twenty-five thousand dollars (\$25,000) for any taxable year of the taxpayer.

If a business firm that is:

- (1) exempt from adjusted gross income tax (IC 6-3-1 through IC 6-3-7) under IC 6-3-2-2.8(2); or
- (2) a partnership;

does not have any tax liability against which the credit provided by the Neighborhood Assistance Program may be applied, a shareholder or a partner of the business firm is entitled to a credit against the shareholder's or the partner's liability under the adjusted gross income tax.

The amount of the credit provided by this section is equal to: (1) the tax credit determined for the business firm for the taxable year under IC 6-3.1-9-3; multiplied by (2) the percentage of the business firm's distributive income to which the shareholder or the partner is entitled.

The credit provided by this section is in addition to any credit to which a shareholder or partner is otherwise entitled under this chapter. However, a business firm and a shareholder or partner of that business firm may not claim a credit under this chapter for the same investment.
